

“FRESH WIND FRESH FIRE FOR UNITED ARAB EMIRATES”

Beloved,

I thank the Lord again for a mighty door that He had opened in the United Arab Emirates, in the cities of Dubai, Abu Dhabi and Sharjah. Out of the ten million population of the Emirates more than ninety percent of them are migrant workers. Working as Construction Labourers, house maids and corporate workers. A great number of them have come with their faith in Christ and are a living testimony of His love and mercy. Even in the labour camps they meet for worship, bible studies and cell group meetings and are a witness to their fellow workers. Many house maids have invited the natives to special church services and a number of them have become secret disciples of Christ.

**CHRIST WORSHIP CENTRE,
DUBAI**
DR. JOHN WESLEY MINISTRIES

Beloved,

I was able to be a source of encouragement and blessing to them ministering the Word of the Lord. The church was edified and built up in the faith. There was indeed a time of refreshing and renewal by the Holy Spirit. I was also able to encourage and strengthen many pastors and leaders both individually and collectively. What a privilege and honour it is to be sent out by the Lord, just to give a cup of cold water and build His church and prepare His bride for His coming. Amen
