CONTINENT OF AFRICA

An Open Door

After years of prayer and waiting upon the Lord for Africa, the Lord has opened a mighty door in the whole continent to carry this Life Changing Gospel. The doors have been opened in countries like Kenya, Tanzania, Rwanda, Burundi, Uganda, Ghana, South Africa and many more, where I will be able to gather pastors and leaders for conferences, training and equipping them to make an impact in their respective places that they have come from. Also holding Revival Meetings, believing the Lord for a great awakening in the Continent as a result of which churches will be revived, refreshed and renewed by the Holy Spirit to make an impact and a difference in their respective nations.

Mbita – Kenya

First Conference

I was glad to work with my dear friends Pastor Fidel and Pastor Susan Collins who organised this great conference. There were about two hundred Pastors and Leaders present, they were greatly encouraged. They returned home with great enthusiasm and passion to continue serving the Lord. It gives me such a great joy to see lives uplifted and built up in the faith and serving the Lord effectively. The presence of the Lord in the Revival Services was mighty, as the Holy Spirit ministered to the saints of God. I praise and thank the Lord for His faithfulness and greatness as He visited and ministered to us.

Revival Service

Mombasa – Kenya

Second Conference

I worked with my friend Rev. Daniel and Pastor Margaret Munyithya in the city of Mombasa, Kenya. Praise God to see so many Pastors and Leaders coming and being ministered by the Word of God. After the first service one young lady contacted her Bishop saying to him that she will not be going back to her home but instead went straight to the church and spend all night in prayer, seeking and waiting upon the Lord. Many lives were touched and ministered by the Holy Spirit. I was also able to graduate 24 students from the School of Christ International which was started by my dear friend Pastor B.H. Clendennen though he was promoted to Glory left his legacy behind in Africa continues. We were able to lay our hands on them and commit them to the Lord as they go and serve Him faithfully, bearing much fruit for the Kingdom of God.

Nairobi – Kenya

Third Conference

In Nairobi I worked with my friend Bishop Joseph and Pastor Alice Muiruri. We had a three-day Pastors and Leaders conference and Revival Meetings. Once again, the Lord visited us in every service, stirring and ministering to the saints of God. Though I was the only speaker, the Lord anointed and empowered me for the great task. It gives me great joy and pleasure ministering and encouraging my fellow ministers and comrades in the faith. It is great to see these men and women of God being encouraged in their faith as they go and serve the Lord with gladness to partaking in the vineyard as co-workers for the greater Glory of God.
