JAPAN

What a privilege and honour it was to be in the city of Saitama Tokyo Japan, ministering with my dear friends pastor Sakai and pastor Bernadette Mamoru. I thank the Lord for precious the saints who have stood with me in Prayer and Support for and making the missions to Japan possible. Beloved everywhere the Lord has taken me, He has always met me with His Mighty presence and has manifested His Glory in a powerful way. This time also the Holy Spirit was poured out in an awesome way. There was such a sense of brokenness amongst the people of God, as they poured out their hearts to the Lord in rededication and making fresh and new commitments to serve the Lord faithful.

Many lives were touched in a deep way, and many received their healings, deliverances and breakthroughs in their lives. Also, the Lord visited them with a fresh Infilling and baptism of the Holy Spirit. The church in Japan was edified, strengthened, and built up in faith to serve the Lord faithfully. I thank the Lord for the friendship with ECOFI Japan as we work together for the furtherance of our Master's Kingdom in Japan.
