It was such a blessing to be in California ministering at the “Fresh Vision” Conference with my dear friends Pastor Jonathan and Angela Skiles. It was an honour to share the platform with long time friends Darell Turner of Tennessee and Lee Shipp of Louisiana. Also it was an honour to minister with brother Steve Chadwick and Ron Brown director of “Teen Challenge” Southern California. The Lord had used us to minister to so many yet we all came back refreshed and revived with renewed vision to serve the Lord. The worship was so amazing bringing down the glory of the Lord amongst us and presence of God was might in each service. The altars were full, the people of the Lord were ministered to in a deep way. It was indeed such a time of great blessing. We all enjoyed the beautiful time of fellowship and friendship with each other. Looking forward to working with fresh vision and passion for the Lord.
